

# Kittery's Road to Zero Waste

Updated Jan. 25, 2013

## MUNICIPAL RECYCLING REPORT 2011

### Recycling Data Overview Income and Expense Record

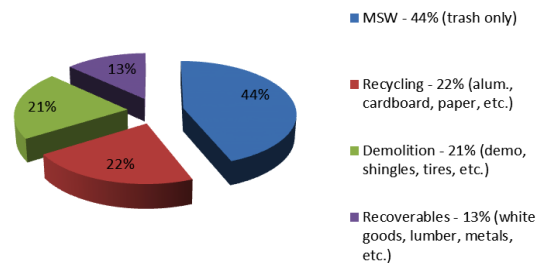

#### Current Situation:

Almost half (44%) of our total tonnage for MSW, recycling and recoverable is trash goes to a landfill or MSW incinerator. RRF contracts with ecomaine; our contract is in place until June 30, 2015 with an additional five year optional extension. Our cost today for disposal only is \$55.85 per ton with no "guaranteed annual tonnage" amounts. RRF contracts with Troiano Waste to haul to ecomaine at a rate today of \$ 295 per haul.
